Rimrock Humane Society Accepted into "Catalogue of Caring" for 4th Year

Roundup, MT, 4 May 2006 – The Rimrock Humane Society is proud to announce that they have been accepted again into the Big Sky Combined Federal Campaign "Catalogue of Caring" for the year of 2006.

The Big Sky Combined Federal Campaign is a Federal campaign run by Federal employees for Federal employees. This campaign is the only one that is allowed by the Federal government for solicitation of 501(c)3 organizations through payroll deduction. This catalog allows the Federal employees the opportunity to choose a non-profit organization of their choice that has been hand selected by the Big Sky CFC to appear in the catalogue (which covers 35 counties in the state of Montana). Their selection process is tightly regimented and the application process for placement in this publication is arduous. The campaign begins in September 2006 and runs until the end of December. Money disbursements will then be meted out over the course of the year in 2007.

The contributions from the 2005 campaign brought in over \$2,800. The Rimrock Humane Society owes a debt of gratitude not only to the Big Sky CFC for their belief in their mission but also to all of the Federal employees who donated their hard earned money to this campaign last year.

If you know of any Federal employees throughout the state, please ask them to designate the Rimrock Humane Society as their choice for their generous, tax deductible contributions!
