### **Rimrock Humane Society Receives Grant from MVCF**

Roundup, MT, 6 June 2006 – The Rimrock Humane Society is proud to announce that the Musselshell Valley Community Foundation awarded them a grant to assist with the cost of printing the Community Spay/Neuter (CSNiP) brochures.

"Taking on the printing and county-wide distribution of these Community Spay/Neuter brochures was a huge and fairly costly task," stated Rimrock's President Sandy Church. "This project was all about educating the public; not only in reference to the benefits of spay/neuter for pets but also to spread the word about our new CSNiP program. We are so pleased that the MVCF recognized the importance of our project in the Roundup community."

The Rimrock Humane Society has been the proud recipients of two other MVCF grants; one for the purchase of dog kennels and the second was to acquire a new digital camera for taking photos of the pets to place on the internet for adoption.

"We consider ourselves so lucky to have a community-minded, civic oriented foundation like the Musselshell Valley Community Foundation here in this area. We cannot thank them enough for their continued support in our mission and their concern for this county and her citizens," said Church.
