## **Rimrock Humane Society Accepted Into State Employees' Charitable Giving Campaign**

Roundup, MT, 15 August 2006 – The Rimrock Humane Society is proud to announce that they have been accepted for the first time into the State Employees' Charitable Giving Campaign (SECGC) for the year of 2007.

The SECGC is the only state-sponsored charitable fund-raising campaign conducted by and among state employees at the worksite. Every fall, this campaign allows state employees to choose from over 400 non-profit organizations and designate their charitable donation for the following year. In 2005, state employees pledged more than \$339,000 to the NPO's of their choice. The SECGC begins October 2, 2006 and ends on November 10, 2006. Money disbursements will then be meted out over the course of the year in 2007.

The Rimrock Humane Society would like to thank the SECGC for their belief in our mission. If you are a state employee or know of someone who works for the state of Montana, please ask them to designate the Rimrock Humane Society as their choice for their generous, tax deductible contributions!
